EMILY CARTWRIGHT IS RIGHT ON THE MONEY!

Dear *Voluptuous*,

Sorry for not writing this sooner, but I want to thank you for having Emily Cartwright on the cover and as your centerfold in the October '08 issue. She looked great both in and out of that silver bikini.

I love big boobs and Emily's are just fantastic. She looks like she has filled out and put on a few pounds, but that only makes her look better in my eyes. I wouldn't care if she gained a few more, especially if her tits keep getting bigger.

I have noticed that it looks like you don't have as many English models as you used to. You still have a few good ones, but I remember in the past few years you have had several great ones from the UK. I hope there's not a problem in finding and photographing the British babes. They've helped make you the best mag in the business, so please keep bringing them to us just as often as you can.-K.J., San Diego, California

LOVING THOSE LEZZIES!

Dear *Voluptuous*,

I can remember when nearly all the issues of every men's magazine had at least one, and sometimes more,

Emily Cartwright came back with an even bigger rack as the covergirl for the October '08 issue of *Voluptuous*.

pictorials of lesbians going at it with a feverish passion. Maybe that has kind of gone out of style lately, but it never has with me.

It was very exciting to see the girl-girl layout of Annie Swanson and Ana in the December '08 *Voluptuous*. I'm sure I have seen Ana in your magazine before, but Annie has been a favorite of mine for several years now. She's so cute and when she does hardcore she's even better. The sight of her having sex with Ana made my dick strain the front of my boxers. I only wish I could have been right there between them, sharing my swollen rod with both of them.

I am also quite fond of April McKenzie, so seeing her photos and reading her interview in that issue was a treat, too. I hope she has a long and busy career with you guys. I voted for her for 2007 Newcomer of the Year and was really happy that she won. She deserves many more awards and I hope she wins them all.-P.L., Hope, Arkansas

CAN THE CUNT LICKERS!

Dear *Voluptuous*,

I know this is completely politically incorrect, but I don't give a fuck. I'm saying it anyway. I don't like queers, and that includes women.

When I saw those two chicks, Annie Swanson and Ana, getting it on in the back of December '08 *Voluptuous*, I could feel and taste the puke coming up my throat. I almost threw my newly-purchased magazine right into the trash can, but instead I stopped myself and just ripped out those offensive pages and tossed them. I thought the rest of that issue was pretty good.

The worst part for me is that I've jacked off to photos of both of them in both solo and hardcore pictorials fucking with guys, and I've even seen Ana fucking on your Web site.

I know some guys enjoy seeing lesbians lick each

Love 'em or hate 'em, a determined pussy lick can't be held back, as Annie Swanson and Ana proved in Dec. '08.

other's tits and pussies, but I just don't get that at all. Suck a dick, take it in your snatch or even your asshole, but keep your hands and mouths off of another girl. Don't show that queer shit ever again! I absolutely fucking mean it!-A.H., McAllen, Texas

CREAMING FOR KARINA

Dear *Voluptuous*,

I really love hardcore porn, and your Xtra section is easily my favorite part of *Voluptuous*. Running a close second is your monthly Video Pick, because they are almost always a preview of a XXX video, so it has actual fuck photos.

Solo layouts and videos are okay and if the woman is especially good I can get interested in her and jack to her, but I still prefer actual hardcore. I have to make one huge exception for your Video Pick for *Hart On!*, starring Karina Hart all by herself. She is so hot and sexy that she doesn't need a guy or another girl or anyone else to make her scenes extra special.

I have never purchased a solo video before, but the layout with pictures from *Hart On!* convinced me to order the DVD, and I was not let down one bit. I actually like it that she's not being fucked by a guy. Boy-girl hardcore has always been my favorite, but Karina doesn't need any help at all.

Now I can't decide if I ever want to see Karina with a real cock. That sounds like it would be a real turn-on, but she does that just fine when she's alone with a dildo, too. -K.W., Phoenix, Arizona

TRUDI IS TREMENDOUS!

Dear Voluptuous,

I want to write in and thank you for having Trudi Stephens in your December '08 issue. She has a look I really like, sexy with big tits, but kind of rough around the edges, which makes her seem so much more real.

I especially like the way her pussy lips are so thick and lay open so invitingly. She loves having her hot

V-men who like big tits and pouty pussy lips jacked to exhaustion when Trudi Stephens debuted in December '08. What would make her pussy look even better? Seeing it stretched to the limit around a big, throbbing cock!

cunt eaten. I love to lick a woman's pussy and hers looks absolutely delicious. I'd eat her until she couldn't take it, then fuck her hard until I shot my load inside that beautiful pussy. That's what I think about when I look at her pussy and jack off. I hope you'll have her in a hardcore video very soon so I can see what it would be like to fuck her. -J.D., Woodbury, Vermont

PANTING OVER PAOLA

Dear Voluptuous,

I must admit that I buy Voluptuous only occasionally, but when I saw Paola Rios on the cover of the December '08 issue, that's all it took for that deal to be made. I didn't even look at any of the other cover photos or the headlines until after I got the magazine home.

I dig women with an ethnic look and Paola is absolutely gorgeous! She obviously has great boobs and an exceptionally curvy body, but her pretty face is also very captivating.

Paola has a new fan and Voluptuous is guaranteed to sell a copy to me whenever Paola is on the cover. I thought the rest of the December issue was also quite good, when I could manage to tear myself away from Paola Rios. -R.P., Ocala, Florida

HE LOVES RACHEL LOVE!

VIDEO PICK OF THE MONTH

Kristy Klenot is an old hand at working a dick, and she gladly shares a big one with busty blonde, Melissa Mandlikova, in *Busty Riding Academy*. "Melissa and I are both from the Czech Republic, but we didn't know each other until we met in Hungary," Kristy said. "I like other women almost as much as men, so doing this threesome scene with her was very exciting. She's so beautiful and sexy and she's fun and easy to be with." Melissa had high praise for Kristy, as well. "With so many gorgeous women all together in one movie, it's hard to say anyone was my favorite, but I found myself drawn to Kristy and we spent a lot of time together even when we weren't filming. And, we even live near each other!"

Vmag VIDEO PICK OF THE MONTH

With 12 big tits, six bangable asses and enough natural beauty to fill a glamor magazine, *Busty Riding Academy* has everything true V-men want and need. Fans of multiple-partner fucking will love it as the students and instructors hook up in threesomes and even bigger groups to satisfy their enormous lust. Christy Marks just recently started fucking on film, but now she's become a wild, cock-loving machine who joins with Terry Nova to service two guys while a voyeuristic horse looks on. "Terry and I had a competition going to see who could make the guy moan and grunt the loudest," Christy said. Karina Hart has been a bad girl who needs some discipline, and gets it as her costars watch.

Jasmine Black

New discovery Jasmine Black has quickly become one of our favorites. The Romanian looks absolutely stunning with one big boner filling her mouth while a second one plows deep into her pussy or asshole, or in a blistering double-penetration fuck. "I love to have sex so much, when I was invited to Hungary to do this video, I couldn't wait to go," she said. "I just know this is going to be the beginning of something very big." We feel it, too, Jasmine. One of the most amazing things about Jasmine is that she's so cute, so cuddly, so girl-next-doorish in person, yet she does the wildest XXX imaginable and often suggests various ways to get a cock into her pussy. It's as if fucking on camera is the most natural thing she has ever done, and maybe it is!

Terry Nova

Terry Nova doesn't speak or understand much English, but we taught her a few special phrases we felt she needed to know. "I want your hard cock" and "Fuck me now" were a very good start. When we planned this special trip to Hungary, there was no doubt we wanted to include Terry, and she eagerly jumped at the chance to get back in front of our cameras again.

some thoughts with you again. Thank you, thank you, thank you for having Rachel Love back in your magazine (November '08). She has to be one of the prettiest and best models you have ever had. I'm sorry to say I had forgotten about her in the years she was "retired," but as soon as I saw her I remembered her from years ago. I think she may be even better now, with a little more maturity and experience behind her. Now that she is back, I pray that you have her back in *Voluptuous* several times a year.—T.B., O'Fallon, Missouri

IT'S A LOVELY LOOK

Dear *Voluptuous*,

In a business that's filled with many forms of stiff competition, I think *Voluptuous* stands far above all the rest of the world's big-tit magazines.

Your models are better than those of any other magazine I see, but it's also the way you present them, your printing quality, the natural, good-looking coloring and the stories and interviews you have that all add up to create a visually entertaining publication.

Like so many of your other readers, I'm crazy about Karina Hart and love seeing her naked body in *Voluptuous*. Her photos are nothing less than phe-

"Men can't resist my temptation!"

It's easy to see how any true boob man would go crazy for Jana, and that's something she is well aware of. "When I was a teenager and my breasts started getting big, I knew right away that they were wonderful," she said. "I was always popular with the boys, but when I got boobs, it was like they could not stay away from me. Of course, I liked all of that attention, and now that I am modeling, I love for men to look at me naked."

For those of you who are also fans of *SCORE*, Jana surely looks familiar. She has made several appearances in our sister publication, starting in 2005. She even got dick slammed in the January '05 *SCORE* and in the hardcore DVD, *Busty Czech Babes*. Why did it take so long to get her into *Voluptuous*? She's always had great tits, but her body was considered just a bit too slim for V-mag. Not any more. "I have put on a few pounds since I started modeling, but that has only made me more shapely and womanly. My breasts are even bigger and my waist, hips and butt are now much more curvy and rounded."

Jana is one of several Eastern European babes we hooked up with on a recent, week-long trip to Hungary. "I love modeling, and one of the best parts is getting the opportunity to meet the other women," she said. "So many times it's just me and the photographer. Or a sexy guy will be there if it's a hardcore shoot, but seeing the other models and spending an entire week with them was absolutely fantastic. It was like a wonderful, free vacation where we ran around naked almost all the time and did all kinds of photo shoots and video scenes. We stayed in this ancient castle, so it was very elegant and all the shooting locations were just superb. There is a lot to like about being photographed for *SCORE* and *Voluptuous*, and you always do everything with high class. I was very happy to be invited and I hope a similar trip is being planned very soon."

Looking for the

Brandy
is **Talore**
made!

Interview by Gary Phillips

V-MAG: We're proud to have one of our most popular models of all time, the one and only Brandy Talore, back in the *Voluptuous* studios today. Welcome back, Brandy.

BRANDY: Thank you. I have been excited about this and have been looking forward to it very much.

V-MAG: You first came to us a few years ago. When was that?

BRANDY: I shot my first photos here in December 2002 and they came out in *Voluptuous* in the June 2003 issue. That was my first layout. I didn't start doing hardcore until about a year later and I've been at it ever since.

V-MAG: Why did you wait a year to do hardcore? A lot of women come here and jump straight into doing it.

BRANDY: Well, I said I would never do it at all. It was even printed in

Voluptuous that I said I would never do hardcore. But later I decided I would try it and it was fun and I've been doing it for a few years now. You have to remember that I was really young when I first came here. The idea of even showing my boobs and pussy was kind of scary. But after I did several solo shoots and videos, I was feeling much more comfortable and confident in front of the cameras, so I changed my mind about the hardcore. It's a decision I've never regretted.

V-MAG: What were you doing for a living before you started modeling?

BRANDY: I was only 21 when I started modeling, so before that I was just finishing school and I was doing some dancing, too. You know, exotic dancing. [Laughs]

V-MAG: You certainly have been busy since your *Voluptuous* debut. Is there any particular part of modeling that you enjoy most?

BRANDY: I really do like doing hardcore now. I like to fuck and the guys are great, so it's a great situation. I also like the tours I do. I go to adult trade shows and make personal appearances at adult bookstores. I love to

meet my fans and sign autographs and going on the tours is the best way to meet as many guys as I can. *SCORE* and *Voluptuous* magazines are what guys want signed more than anything else. Some fans will bring every issue I've ever been in and in the early ones I look so young.

V-MAG: You still look young, but I know what you're saying. How old are you now?

BRANDY: I'm 26.

V-MAG: And you consider that old? Come on!

BRANDY: No, but when I see photos from when I was only 20 or 21, I can see a difference in myself.

V-MAG: You said you really like sex, and looking at your photos and videos we can see that you really do. This is way more than just a job to you, right?

BRANDY: I love to see the end results. I have read interviews with other models who say they never look at their photos or videos, but I'm not like that. I want to see it and I have been doing it long enough that I can tell if the lighting wasn't quite right or the composition of a picture could have been better. That's the kind of thing that comes with experience.

V-MAG: What gave you the idea to try modeling in the first place?

BRANDY: When I was 17 years old I entered an online modeling contest. Not nude stuff, but regular modeling. I didn't win but I placed really

highly as a runner up and one of your photographers saw my pictures and started contacting me by email, trying to convince me that I belonged in the adult business. I kept saying no because I was underage, but after I turned 18, I thought it over and decided to give it a shot. It wasn't even immediately, either. I was almost 20 when I did my first photos.

V-MAG: So, we contacted you?

BRANDY: Yes, it all started right here in this very studio.

V-MAG: Obviously, this is something you now do for a living. You don't have any other, "regular" job?

BRANDY: No, this keeps me busy enough and I love it, so it's all I do.

V-MAG: Let's get the facts and figures about your body. What's your bra size these days?

BRANDY: I'm 36-DDD. They're bigger than when I started modeling.

V-MAG: That sounds like a good thing.

BRANDY: It is, but it also makes it harder to

find clothes that fit. It's a pain.

V-MAG: That seems to be a universal problem among our big-boobed models. They almost always tell us they have trouble finding bras and other clothing that will fit their chest, but also fit the rest of their body.

BRANDY: That's right. Like for swimsuits, I have to shop at places that will let you choose different sizes for the top and the bottom. For the top I need an XXL, but my bottom half is not nearly that big. Most bathing suits are sold that way these days, thank goodness. For other clothes, the tops and bottoms are usually sold separately anyway, so I can find things to fit.

V-MAG: Are there any special clothing lines or stores that you like?

BRANDY: I can shop at all the regular places. I'm a Guess girl. I'll buy Guess clothes. Even for the tops, I can wear smalls and mediums, they're just tight. I fill them all the way up. [Laughs]

V-MAG: What about the bras?

BRANDY: They are harder to find. I actually went to a Lane Bryant store for the first time recently. I always thought they only carried plus sizes, but in bras they go up to 36, which is my size and they have DDD and E-cups, so I have found what I need there.

V-MAG: Another complaint we often hear is that even if a chesty woman can find bras that fit, then the bras aren't very frilly or pretty.

BRANDY: That is so true. My bras are all plain white or black with no lace or other nice decorations. The ones I find to model in that are pretty are usually at least a size or two too small.

V-MAG: I suppose that's uncomfortable, but it looks good to have you popping out of your bra.

BRANDY: That's exactly right, but I normally don't wear that kind of bra very long. It comes off rather quickly.

V-MAG: Let's go back a few years to before you became a model. Were you the bustiest girl in your high school?

BRANDY: Yeah, but I was a tomboy. I always tried to keep myself covered.

V-MAG: Did you grow up in a big city or a small town?

BRANDY: Both. I lived in a city but went to a country school. The area I lived in was pretty bad, so my parents sent me to another school.

V-MAG: Surprisingly enough, many of our models tell us they were tomboyish growing up. When did that start to

Samantha

In a world filled with beautiful, big-busted women, only the special few can stand out. Samantha has been the star of many a jack session over the years, in *Voluptuous*, *XL Girls* and in XXX videos like *Voluptuous Xtra #3*, *XL Xtra* and many more hardcore flicks. Guys who appreciate great boobs, a V-gal body and a gorgeous face love her. Guys who love to see a very special plumper suck and fuck a cock love her. We all love her!

Samantha says she would like to see adult films go back to the time when there was a story to be told. "I would like to do a film like a murder mystery or something like that, but with sex scenes in it, too, of course," she said. "I have a lot of good ideas I'd like to see done, and they will be, all in due time. The kind of video I'm planning would not be cheap to make, but the results would be well worth it. Straight fuck films are easy to make and they do sell really well, but mine would have sets and costumes with location shooting and a lot of things to make it very different."

Now well into her 30s, Samantha says age has never been an issue for her. "How could it be?" she said. "I didn't even start modeling until I was in my early 30s, so by some standards I was already considered old or at least 'mature.' But I never gave that a thought and my photo shoots and videos speak for themselves. I know how much my fans love big boobs and a sexually assertive, experienced woman, so aging has not been bad for me at all. I just keep getting better year after year."

If that's Jolie's way of angling for a dinner invitation, she's definitely on the right track! "Working as a bartender in a very popular nightclub, I get to meet all kinds of cool guys," she said. "So I'm never in need of company and plenty of mind-blowing sex. It's also great that they come in all colors, shapes and sizes. I would get bored if they all looked the same way."

Jolie is a modern-day girl, with both nipples pierced and an extra-large tattoo that covers most of her back. "I'm just a free spirit," she said. "I'm very adventurous in all aspects of my life. Whether it's work, play or sex, I'm always open to try something different. What I'm doing here is a perfect example of that. Working at the bar, I've had a lot of guys tell me I should give modeling a try. That sounded like a good idea, so it didn't take a lot of persuasion for me to look into it, then do it. Now I can't get enough. I'll do just about anything as long as it doesn't hurt. I'm more into pleasure."

THE MAGICAL ONE-WORD ICE BREAKER

STEP ONE
in becoming a
ladies' man is to
become confident.
Here's how.

When it comes to approaching and initiating conversations with women, most men would rather be headed to the dentist for a root canal. The fear is nearly the same. Why is that? The outcome of meeting an attractive female and engaging her in a delightful conversation is much more appealing than having your mouth invaded by all manner of sharp, pain-inducing tools.

The problem is, we are afraid of rejection. Being shot down. Given the cold shoulder. Being embarrassed and having what little confidence we have totally shattered, leaving us worse off than if we had never tried.

That is a mind set that we absolutely have to change if we want to have any success in meeting, dating and bedding down the women we desire. That fear of rejection is a l m o s t a l w a y s completely unfounded. There's no reason for it. We just have to convince ourselves of that.

One important thing to remember is that while success is not guaranteed, neither is failure. Failure is only guar-

anteed if we give up and never try. This applies to any challenge we face in life. Dan Marino and Brett Favre have thrown a shitload of touchdown passes, but don't forget, they've thrown a lot of interceptions, too. Even the great ones don't connect every time. The key to greatness is to not be afraid to throw again after the interception, or in our case, after the rejection.

You have surely seen all kinds of books, CDs, tapes and online programs that promise to increase your dating success. They tease you by saying they'll provide you with all the magic words and moves you need to approach the object of your lust, make her hang on your every word, melt into your arms and be in your bed as soon as you want her to be.

Man, that all sounds fantastic, doesn't it? But, if you are like most of us and don't have that basic confidence, the smoothest lines and techniques in the world won't work, because you don't think they will. You'll still be scared of rejection and when those magic words don't work, you'll be even more crushed than before.

So, the first step on this journey is to build up the confidence you need. You'll find that as your confidence and self-assuredness grows, those corny pickup lines sound cornier than ever. Most women already know this. That's why most "sure-fired icebreakers" don't even work. Don't even waste your time and money.

There is however, one little word that is the perfect icebreaker. Saying it often to women will give your confidence a much needed boost and will leave you feeling happier about yourself and your chances for dating success. Even saying it to men you meet will help overcome the shyness that is holding you back.

That magic word is...hello. Okay, go ahead and roll your eyes and groan for

Denise Davies

"I need the real thing!"

Through the years, we've seen Denise Davies many times stuffing her pussy with rubber dicks and with real, flesh-and-blood cocks. She says there's no comparison. "Give me a real dick," she said. "Dildos and vibrators have their purpose, but when it comes to fucking, I need a hot and hard hunk of manly meat."

Denise says her experience pays off not just in modeling, but in every aspect of her life. "It's cool to be recognized everywhere I go," she said. "I used to think that I was wrong if I took advantage of my celebrity, but then I realized that my fans really get joy from meeting me and if they want to give me gifts I should politely accept them and not feel guilty about it. It makes them feel good to share things with me."

Denise says her pussy and clit are very sensitive, but that's not all. "My boobs are especially receptive to some good attention," she said. Begin gently and then work up to more assertive mauling. That makes my pussy tingle, ready to fuck."

BLACK IS BEAUTIFUL!

Dear *Voluptuous*,

You have made me realize something about myself that I never knew before. I like black women, at least the pictures of them in *Voluptuous*.

I'm a 36-year-old white guy and never really felt attraction to black chicks until I started noticing them in *Voluptuous*. Over the past couple of years I have found that I am a big fan of Simone Staxxx, Janet Jade, Candace Von and several other of your African-American V-gals.

I was finally inspired to write and tell you this when I saw the Video Pick for the DVD, *Big Tit P.O.V.: Black Label* in the December '08 issue. The only thing better than your black models naked is seeing them sucking and fucking! That full-page shot of Carmen Hayes with her legs up high in the air and a big

You are absolutely right when you say Stacy Adams looks like a sexier Janet Jackson. I'd like to see Janet Jackson working on a stiff dick, but Stacy is the next-best thing and she may be even better.

JACKING OFF TO JAZMIN

Dear *Voluptuous*,

There's something about that South American girl, Jazmin (Dec. '08), that makes my cock get harder than it ever has before. I can look at her and beat my meat three or four times a day.

You have prettier models, you have models with bigger boobs and better bodies, but Jazmin's young and somewhat innocent look is very sexy and makes me wish I had a girl like her to slowly undress and have all kinds of sex with. We would leave each other completely exhausted.

Speaking of South Americans, it was also cool to see Paola Rios again in the same issue as Jazmin. It's easy to see that you guys really do try to give us a good mix of women from all over the world. Paola is a doll, but I still would choose Jazmin over her if such a choice ever had to be made.

As long as I'm dreaming, I imagine how great it would be to have a hot threesome with both Jazmin and Paola. After that, I could die a very happy man.-D.J., Bryant, Indiana

DECEMBER WAS DEFINITELY DISAPPOINTING

Dear *Voluptuous*,

Without a doubt the December '08 *Voluptuous* was the worst issue of your magazine I ever read. I have seen more skin at Wal-Mart than you had in that pitiful magazine.

If you are going for the Nadine Jansen style, then I will let my subscription expire and not renew it. I see enough clothes out on the street. Annie Swanson and Ana were the only saving grace in the entire magazine. Karina Hart and Simone Lee were good also. Paola Rios and Jazmin were not my favorites but I give them an "A" for showing it all.

Belly bands are my biggest pet peeve. Brandy Talore always wore one up until her last appearance. Desirae in the Holiday '07 issue is another one. As long as you have been running her, she never showed her gut.

Wonder Tracy hangs her gut out proudly. Ladies like Lorna Morgan and Natalie Fiore look good in or out of clothes, but they take it all off. Samantha is my all-time favorite big beautiful woman. You have so many good ones, I can't name them all in this email. You can start with clothes but they have to be gone in the last photos or I'm not happy.-J.B., via email

Dear J.B., Sorry to hear that you felt let down by our December '08 offering, but we're mystified that you slam the issue, then promptly go on to name six models from that magazine whom you really liked. Also, could you email us back with the address of that Wal-Mart? We want to see it!

DIGGING DIRTY DIANA

Dear *Voluptuous*,

That chick from Guatemala, Diana, with the super-huge tits (Dec. '08), is nothing short of awesome! You have a lot of pretty, sexy women in your magazine month after month, but Diana has cast a powerful spell over me. It has to be her boobs, which I think are surely visible from outer space!

I realize there is travel and other added expenses involved in going to and photographing women outside the United States, so I want you to know the

HANG IN THERE, GUYS!

Dear *Voluptuous*,

Obviously, as a reader of *Voluptuous* and some of your other fine publications and a fan of your DVDs, too, I enjoy porn very much.

Like most guys, I also enjoy surfing the Internet for adult content, and it surely is loaded with it. But I have found that of all the stuff that's out there, yours is consistently the best I have found.

To start with, there's your models. Yes, I see a few of them on other people's Web sites, but the really good ones are only on your Web sites and in your magazines. You have somehow managed to keep the best ones for yourself and I think that's great.

Another thing I like is that you treat the women with more respect and dignity than a lot of other porn producers. I love to see a hot, big-boobed chick give blow jobs and fuck and maybe even do two or three guys at once. But, I want her to look like she's really into it and doing it willingly, not like she's being raped or just doing it for a paycheck. On some Web sites the girls have a "let's get this over with" look about them and

V-men say Diana is dynamite!

Eva first caught the attention of the editor of *40Something*, one of our SCORE Group sister publications, but as soon as the editor of *Voluptuous* got an eyeful of that mouthwatering, 38E rack, he knew she just had to become a V-gal as soon as possible! And, she's not some aging model whose career is winding down. Eva was well into her 40s when she did her first photo shoot! She says she felt like the time was right. "I gave it a great deal of thought," she said. "But then I decided to go for it. Chances like this don't come along often, and I was ready."

What did Eva's family and friends think of her getting into nude modeling at her age? "I didn't tell everyone at first, and some still don't know," she said, "The reactions were mixed. Some of my girlfriends thought I was out of my mind to want to show my naked body to the world, but the best advice I got was from my grandmother, who said if I believed in myself I should do it!"

Eva says her *Voluptuous* appearances have given her a new attitude toward life. "It has helped me realize that life really is short, and we should not be afraid to do the things that bring us pleasure," she said. "That includes doing my naked photos, but it's so much bigger than that. It has given me all the confidence I never had before."

MODELS WANTED!

Vmag wants to know if you have what it takes?

that's not a turn on at all.

Another thing is, even though story lines and other classy elements are pretty much a thing of the past, you do usually manage to tie the scenes on your DVDs together with some kind of common theme. That's cool to me. I don't want some long dialogue or story to get in the way of the fucking. I would just hit the fast forward button if you had that, but it's good to give a reason for the stars of the DVD to be doing what they're doing.

A good example is the DVD, *Tit-Fuck Tryouts*. It's pretty obvious that it's not just a string of random fuck scenes put together. All of the girls are competing to be the best tit-fucker in the world, so there is consistency from scene to scene. I know that had to take quite a bit of time and thought to come up with the concept and turn it into the top-notch hardcore film that it is.

Bounce, Baby, Bounce is another one that has a steady theme throughout the DVD. Each model has her own reason to make her tits bounce and different ways of doing it, but they all start their scenes showing how bouncy their big jugs are before they get down to the business of working a cock. That is so much better than putting together some haphazard array of scenes that make no sense as to why they are together on the same DVD.

I have read that all magazine sales are down, not just porn. The Internet has made getting information and entertainment so easy and convenient that print media is bound to suffer, but please keep up the good work with your magazines.—P.F., Essex, Missouri @

Gabriella Michaels

Gabriella has proven herself to be one of the horniest V-gals ever, with more hardcore pictorials and videos than solo, but she swears that does not mean she's easy. "I love sex and need it every day," she said. "But that doesn't mean a guy can just lead me straight to bed. Only if he's special."

Okay, if a guy qualifies as "special" to Gabriella, what can he expect? "You've seen me having sex in videos, right?" she asked. "That's what a guy will get if I'm really into him. My big boobs need to be manhandled, my wet pussy needs to be rubbed so it gets nice and heated up. I love to suck a dick and run my tongue stud all around the head. Of course, I adore a man who can lick my pussy just right. All of that could go on for a few minutes to a few hours, but eventually I'm going to want the feeling of his cock-head opening up my pussy lips and sliding inside. It's all part of a process that leads up to a lot of cumming."

Gabriella says what she loves most about being an adult model and film star is getting to meet her fans. "Most of them are really sweet and they're shy around me," she said. "They get tongue tied and don't know what to say, so they sometimes say something stupid. I'll forgive that, but then there are a few who are just jerks. That, I won't tolerate."

BRANDY TALORE

Continued from page 36

change for you?

BRANDY: It took a while. I was 17 or 18 before I started growing up and got my first job. I had always played sports and didn't want to do girly things. I didn't want to have breasts so I didn't like them at first.

V-MAG: What sports did you do?

BRANDY: Softball, basketball, track and cheerleading.

V-MAG: Did your boobs ever pose a problem for you? Did they get in the way at all?

BRANDY: No, but everyone asks me that. They make sports bras for that kind of thing, so it was okay.

V-MAG: As a tomboy you didn't dress to show off your body, you kept it hidden away?

BRANDY: It's not like I wore only loose-fitting sweatsuits or anything that drastic, but I didn't wear short skirts or low-cut tops at all, either. I was always very friendly and popular, so if some people didn't like my appearance, they liked me because I'm nice. I got along well with everyone.

V-MAG: Since you were trying to downplay your body, I suppose you didn't get any special attention from your male teachers.

BRANDY: If I did I never realized it. I was kind of oblivious to some things back then. Now that I have become more well known in the adult business, I learned that one teacher I had back then is a really big fan. I've done some dancing on my tours, as a feature dancer at clubs in the towns I visit and he came to one and was wanting a lap dance. It was a little bit weird. I wouldn't dance for him. It was just way too strange to do that for one of my high school teachers.

V-MAG: Do you have any funny stories to tell us about things that have been said or done to you regarding your breasts?

BRANDY: The funniest thing to me is the time I had a booth set up and was signing autographs at Ozzfest. It was like this big, drunken party and I was selling photos and this 8-year-old boy came up to me. I don't know where his parents were, but he came up to me and said, "I love you. When I grow up I want to marry you." And he came back to the booth about 20 times that day. He

was so adorable. So I was thinking, Oh, no. He's a boob guy already and he doesn't even know it. [Laughs]

V-MAG: This was at Ozzfest, the Ozzy Osbourne thing, the concert?

BRANDY: Exactly. It was in Columbus, Ohio, a couple of years ago.

V-MAG: Wow. I guess there were a lot of guys there.

BRANDY: Thousands. It was great.

V-MAG: I'm sure a lot of them recognized you.

BRANDY: I get recognized all the time, everywhere I go. But it was even more intense with thousands of guys there and it seemed like they all knew who I was. It was a blast!

V-MAG: That does sound great, but does that ever annoy or bother you to get recognized everywhere you go? Obviously at Ozzfest you were there to be noticed, but what about going out in real life?

BRANDY: No, as long as people who see me don't say or do weird things. I went to an NBA playoff game not long ago and nobody said a word to me, but then I got an email from a fan who said people were talking on the radio about how I had been at the game. So I was recognized but nobody hassled me. So, that was cool.

V-MAG: But people sometimes say strange things to you in public? Can you give us some examples?

BRANDY: Yeah, sometimes. Like last night there was this kid, not a little kid but a young guy, following me around at a shopping mall and he was saying, "I know you! You're Brandy Talore." That kind of thing is not so bad, but if someone sees me in a store or a restaurant and starts talking very specifically about me and what I do, then it can be a problem. If they say, "Oh, I saw you in *Busty Hookers* and you were fantastic," that's over the line, you know? That's annoying and I can't put up with very much of that.

V-MAG: When you go out, do you dress like Brandy Talore the adult star, or do you try to be more low key?

BRANDY: It depends on where I'm going. When I went to that basketball game I didn't dress very slutty. I have style and I like to look good, but everything has its time and place. I'll wear nice jeans and high-heeled shoes, maybe a low-cut shirt but nothing too slutty or crazy. Just the same things that any fashionable woman would want to wear for a special night out on the town.

V-MAG: But certainly not that old tomboy look from a few years ago.

BRANDY: Oh, no. I put that behind me a long time ago. I like looking like a woman now.

V-MAG: Does it ever happen that you dress up to go out and don't get attention? Does that bother you?

BRANDY: I don't ever really try to draw attention to myself. I'll sit in the back and be quiet. I get recognized a lot without even trying, so on the rare occasions when I don't get noticed, it's okay with me. I like to go out, but I won't be the girl jumping up and dancing on the bar. I'll be the quiet one in the back of the room. I can get attention anytime I want to, basically, so it's a nice break to sometimes just be in the background. I can decide when and where, too.

V-MAG: I want to ask you something. I have heard about you. You have said that you don't like most of the nicknames that are used for a woman's breasts. Why is that?

BRANDY: The word boobs is okay, but I never say tits or any of the other terms people use for them.

V-MAG: Jugs, cans, hooters, funbags?

BRANDY: Nope. Those words all bother me.

V-MAG: Why is that? They're not harmful, are they?

BRANDY: I don't know. It just sounds and feels degrading somehow. Maybe not degrading, but just stupid, like some dumb joke. Like kids on a playground who don't even really know what they're talking about.

V-MAG: But most of those names are cute. How about ta-tas? Is that term degrading somehow?

BRANDY: No, not degrading, but just silly. I don't know why, but I just don't like it.

V-MAG: When you think of it, it's funny that it's almost always men who use those names.

BRANDY: Yeah, I've noticed that, too! Like I said...silly! [Laughs]

V-MAG: Have you always had this feeling, or is it something that has come along through the years?

BRANDY: It's just me. That's the way I talk and how I am and I don't like the weird little names.

V-MAG: Is there a certain type of guy you go for?

BRANDY: I like taller guys. I like tattoos if they're not real gross. Mostly, I like a guy who will be nice and treat me well, but is also assertive and sure of himself.

V-MAG: What do you notice first about a guy when you meet him? Where do your eyes go?

BRANDY: I don't know. It's awkward to meet someone like that because they are likely to say something stupid that will make me mad, and they all want to stare at my boobs.

V-MAG: What could a guy say that would make you mad?

BRANDY: The typical thing like, "wow, you're hot." The same old thing.

V-MAG: That would make you mad? To be told that you're hot?

BRANDY: Not really mad. I don't mean it like that, but just annoyed by it, you know? I appreciate a compliment like any women, but "you're hot" isn't very special. You feel like the guy probably says it to every women he tries to hit on. I don't need that.

V-MAG: Okay, what would be the right thing to say? Help us out here, Brandy.

BRANDY: I don't know. Just a regular, normal conversation might work, but I hardly ever get that. [Laughs] I can always tell when a guy is trying to use a pickup line. The old, "you look familiar" line I've heard so many times. Just saying hello and taking it from there would be better. I don't want to sound mean about this. I'm just saying that most women want to hear something they haven't heard before or don't hear all the time. "You are so hot" or "you look familiar" are not rude things to say, but "you have really pretty hair or eyes" or some specific compliment is so much better. That sounds so much more sincere. And don't say "nice boobs!" That might work at a frat party, but not in the real world.

V-MAG: But as much as you have been seen in your professional life, don't you think they're being honest when they say you look familiar? You probably do.

BRANDY: I guess so, but like I said, I can spot a pickup line.

V-MAG: Do you have any hobbies or activities you enjoy?

BRANDY: I read a lot. I love to play on the computer. I travel. I still play softball. I'm in a coed league. I like to swim and ride bikes. I'm pretty normal. I love summer because you can get out and do fun things like boating, swimming and water skiing.

V-MAG: Do you have any hidden talents we may not know about?

BRANDY: I can sew and I've been to school for a few different things. I've been trained as a hair stylist and I've

been to business school, but I ended up in porn. [Laughs] Apparently this is where I belong.
V-MAG: I can't disagree with that. Do you have a lot of sex in your private life?
BRANDY: Yeah, I do. Every day.
V-MAG: Do you always have a partner or do you masturbate sometimes?
BRANDY: I usually have a partner, but I'll do it myself when I have to. I have had a regular guy for a while now. His friends all like to come over. [Laughs] But when I'm on the road or if I'm at home and get horny I can and do take care of my own needs.
V-MAG: Is there any certain sex act or position that's a favorite for you?
BRANDY: I really do love oral, both giving and receiving. When you see me giving head, you can bet I'm really into it. I love to have my pussy licked and sucked, too, if the guy really knows what he's doing.
V-MAG: Is it ever a problem for your guy's friends to be hanging around? You know they've seen your pictures and videos.
BRANDY: It's not really a problem as far as I am concerned. He likes to show them my magazines and videos and stuff, so it is a little weird for me. He and his buddies play in a Christian basketball league, so that kind of bugs me a little bit. [Laughs] I ask him not to show them that stuff, but he does anyway.
V-MAG: He shows you to his Christian basketball buddies? That has to make you feel a little strange.
BRANDY: Yeah, he thinks it's really funny to shock them. I'm like, "look, I have to sit there in the stands with those guys' wives and girlfriends while you play. It's kind of uncomfortable."
V-MAG: When you're at the basketball games, do the guys just run right into the wall because they're looking at you? It could be a comedy.
BRANDY: No, it's not like that. But, a lot of his friends aren't even allowed to be around me or to come to my house. Their women think it's some nonstop orgy or something with everyone running around naked all the time. I just laugh at that.
V-MAG: I know you need to get to your next shoot. Is there anything you'd like to share with your fans before you do?
BRANDY: It's been a great time and I plan to keep doing more. I hope they like the new photos and videos I'm doing here at *Voluptuous*. They're very hot and should not be missed.

a few seconds, but then please read on. If you want to build more confidence when approaching women, I want you to try this simple exercise for the next few days.

As you go through your day, from beginning to end, say hello to every woman you see. Don't grade them or judge them on whether you would want to date them or have sex with them, just say hello to them all. This is not the big game. This is practice. A nice smile will help, too. From the elderly woman at the coffee shop to the skinny young gal at the gas pump to the obese woman at your dry cleaner, just smile at them and say hello. I promise that nearly every one of them will respond with a smile and a hello back. In most cases, this will lead to at least some brief conversation about the weather or the price of gas or something.

Every such encounter you have through your day will add to your confidence. You'll leave the coffee shop, gas station or dry cleaners with your head high and a little more spring in your step. You'll be looking forward to meeting and saying hello to the next woman you see.

Try this technique. The first few times might feel kind of awkward to you, but each one will be easier than the last and soon it will be a natural part of your personality. Suddenly, you're outgoing!

Since you're saying hello to every woman you see, you're likely to encounter a few women who don't respond the way you expect them to. The important thing to remember is it's NOT YOUR FAULT! How could it be? All you did was say hello. Maybe she's having a bad day. Maybe her cat just died. Maybe she's just a bitch and you really don't want to meet her, anyway. There could be a thousand reasons she wasn't friendly to your hello, and none of those reasons has anything to do with you. Just move on and say hello to the next woman you meet. It shouldn't take more than just a few days to notice a difference in your attitude.

You will soon find that since you're speaking to every woman, it will be much easier to say hello to the ones you really are interested in. You'll be in practice, and practice makes perfect. Just ask Dan Marino or Brett Favre.

This Silver is more precious than gold.

Alexis Silver

We wrap up this issue in a quite unusual way, with a busty chick locked into some hot, XXX action! Most V-men already know that Alexis Silver is as horny as a buffalo stampede, and she can't pass up a chance to show it. "I am really good at being bad," she says, "I love it when I can let loose and be on the receiving end of a hard fucking. Cameras and cocks are like aphrodisiacs to me. I go wild when either one is aimed at me, and it's best when both are!"

Previous Voluptuous

Appearance: April '07 (XXX boy-girl)

Videos: *Big Tit P.O.V.: Black Label* (XXX-Rated, available in the Video Club on page 98), *Tit Fuck Tryouts* (XXX-Rated, available in the Video Club on page 99), *Fuckin' Mo Titties* (XXX-Rated, available online at eBoobStore.com).

Always on the lookout for her next new thrill, Alexis recently ventured into unexplored territory and learned something new about herself. "I tried anal in the video, *Big Tit P.O.V.: Black Label*, and I absolutely fucking love it!" she said. "I was afraid it would hurt like hell. It really wasn't bad, even at first. My asshole was a little tight until I relaxed and let it happen. Soon I started cumming over and over and couldn't stop."

"I'm sure I'll never give up loving the feeling of having a dick in my pussy, but taking one in my ass is definitely on the menu from now on," Alexis said. "It really spices up my sex life and guys sure all seem to love it, too. Some told me they have craved anal for a long time, but couldn't find a woman willing to do it. When I beg them to fuck my ass it's like I'm giving them the best gift ever."
